

Terms & Conditions

1. On the day of the event Bare Coffee cannot be held accountable for unforeseen events such as power failures, loadshedding or rain (for outdoor events). Thus for these events a refund cannot be issued by the client.
2. If the event is outdoors and it rains, the client shall be responsible to provide an area for indoor setup.
3. The terrain provided by the client for setup should preferably be level and smooth. In cases where this is not possible it should be communicated beforehand with Bare Coffee.
4. A plug or power point is to be provided on the day of the event. As well as an extension cord if the distance to the plug exceeds 30m.
5. Each of the packages includes 4 hours service (excluding setup time) unless additional hours are booked. Setup will happen 1 hour prior. If earlier setup is required on the day or the day before, it should be arranged with Bare Coffee and a setup fee of R550 will be introduced.
6. The unlimited beverages arrangement shall not be exploited by ordering cups and not drinking them or ordering multiple cups to take home. Bare Coffee holds the right to refuse orders of this sort.
7. Other staff at the event (e.g. kitchen staff, cleaners, dj's, etc) are not entitled to free coffee unless they are included in the specified number of guests. The specified number of guests refer to the number of guests quoted/invoiced for.
8. The 50% deposit to secure the booking is non-refundable. This means that the deposit will not be refunded upon cancellation. The client is however welcome to postpone their date at no extra charge, subject to our availability of the new date. If Bare Coffee is not available on the new date the client will forfeit their booking as paid per the original agreement.
9. The full payment needs to be made by the client no less than 7 days before the date of the event.
10. In the unfortunate case of a machine or vehicle breakdown, Bare Coffee will refund the client.
11. Should we run out of milk or other stock on the day, we shall have the right to temporarily close down the stand to buy more products accordingly at the nearest shop. This is unlikely but possible.
